

2023 Western Wisconsin Conservation Council Member Conservation Practice Survey

Western Wisconsin Conservation Council (WWCC) requests current and future members take this brief survey to understand what conservation practices are being done on the land and to track our group's progress. **Identifying member information will remain confidential** and only aggregated results will be shared publicly. This information helps us report progress and the impact we are having to organizations that provide funding to our group for activities and share our progress with our community.

*****Surveys must be completed by November 17th to be eligible for cost-share.**

Please place a check mark in the column most applicable to you and your farm and **if you are using a tool or practice, please let us know how many acres that practice is used on**. If you have any questions while completing this survey, please email Shawn Wesener at swesener@farmersforsustainablefood.com or (920) 980-3756. **OR you can visit westernwisconservation.org to fill out the survey online.**

Are you a WWCC member? Yes _____ No _____ If not, would you like to become one Yes _____ No _____

Name: _____

Farm Name: _____

Address: _____

City: _____ St: _____ Zip: _____

E-mail address: _____

Phone: _____ Cell: _____

Farm type (circle) Dairy Beef Hog Crop Other (describe): _____

Cropland acres managed (include owned & rented total): _____ Pasture acres: _____

Grassland/CRP acres: _____ Forest acres: _____

Total livestock head (*Total youngstock + adult animals. If multiple species, include # of each, i.e. 100 dairy, 200 beef*):

Your most common crop rotation in recent years: _____

What programs or initiatives would you like to see WWCC pursue in the future?

WESTERN WISCONSIN
CONSERVATION COUNCIL

Tool or practice	Yes	If yes, how many acres/miles/count in 2023?	No, but interested
Soil sampling	Circle: Yes or No		
Plant tissue sampling	Circle: Yes or No		
Manure sampling	Circle: Yes or No		
Variable rate fertilizer application (acres)		acres	
Split Nitrogen Application (acres)		acres	
Nitrogen stabilizer (acres)		acres	
Are you following a 590-compliant Nutrient Management Plan (NMP)?	Circle: Yes or No _____ acres (Do not include acres that receive manure from your farm but you don't manage)		
Cover crops (acres) (Does not include Alfalfa)		acres	
Cover crops (acres) (Alfalfa only or alfalfa with a companion grass)		acres	
No till (acres)		acres	
Of the acres planted with no-till, how many of these acres also had cover crops (acres)		acres	
Reduced tillage (vert. till, strip till) (acres) <i>DO NOT INCLUDE NO-TILL ACRES, CHISEL PLOW, ETC.</i>		acres	
Of the acres planted with reduced tillage, how many of these acres also had cover crops (acres)		acres	
Planting green (acres)		acres	
Total grassed waterway (miles)		miles	
Low-disturbance manure injection (acres)		acres	
How many acres of no-till do you also apply low-disturbance manure injection (acres)		acres	
How many acres of reduced tillage do you also apply low-disturbance manure injection (acres)		acres	
How many acres of your cover crops do you also apply low-disturbance manure injection (acres)		acres	
Biological additives (acres)		acres	
Rotational grazing (acres)		acres	

Please return completed survey to westernwisconservation@gmail.com or mail to Western Wisconsin Conservation Council, 426 165th St, Hammond, WI 54015
